Mr. James has been involved in the paving industry for many years. The Village has worked with Mr. James for a number of years when he was working for H&S Paving. The quote is for \$1,500. Bruce Barton made a motion to approve the Pavement Condition Survey for \$1,500. Jeremy Russell seconded the motion. Roll Call: Pam Jack, James Record, Joe Scaldara, Jeremy Russell and Bruce Barton voted yes. Vote – Unanimous.

James Record shared that waste collection is doing ok.

Joe Scaldara shared that lights and fountain electrical work in Russell Park has been completed. Mayor David Cleveland shared that when the pool pole lights were ready to be installed, there was an issue with the footings that had to be addressed and the crane was not

tall enough to install the poles without removing the fence and driving onto the tennis courts. Hopefully later this week or the first part of next week, the poles will be installed using a larger crane.

DISCUSSION ON CONTINUED REMOTE MEETINGS: Jeremy Russell brought to the attention of Council the need to follow all guidelines concerning remote meetings legislation to include live-streaming. The Council discussed possible practices to begin live streaming remote meetings and that the COVID-19 pandemic will likely remain of concern for the foreseeable future. There will be continuing efforts to determine what platforms exist for live streaming remote meetings and how to employ a live stream within the capabilities of Village resources.

INTERNAL & EXTERNAL COMMUNICATION: Jeremy Russell shared his concerns about a lack of advanced notice being provided to Council members and Board Commissioners regarding changes to upcoming Village events or activities. He gave examples that have raised his concerns and indicated that the elected and appointed officials should receive prior notice of upcoming electronic postings so they can be prepared to address community inquiries that come in after the electronic postings. He also expressed concern over decisions being made by the Mayor and staff without prior Council or Commission approval. The Mayor addressed specific examples that were raised, the Council discussed the concerns raised and the Council provided input regarding internal communications moving forward. Jeremy Russell made a motion to go into Closed Session to discuss a personnel issue pursuant to North Carolina General Statutes. Mayor David Cleveland called for a second to the motion three times and none was made. The motion did not carry and no closed session was conducted.

COMMUNICATION INFORMATION: Pam Jack shared items to be included in the August newsletter: Next month's virtual meeting, Yard Waste and HOA Contacts.

COUNCIL COMMENTS: Bruce Barton shared that he hoped everyone continued to stay safe.

Jeremy Russell apologized to Council and Staff is he offended anyone and thanked everyone.

Joe Scaldara shared that the meeting was the smoothest so far and very well run.

James Record shared that if there is a need for a Closed Session, he would prefer that Council meet in person not virtually. James Record also stated that if he offended anyone to please accept his apology. The meeting was very well run this evening.

Mayor David Cleveland thanked everyone for sharing their comments and stated that he preferred telephone calls rather than emails if Council had concerns about any issues.

ADJOURN: Bruce Barton made the motion to adjourn. Pam Jack seconded the motion. Roll Call: Pam Jack, James Record, Joe Scaldara, Jeremy Russell and Bruce Barton voted yes. Vote – Unanimous.

Respectfully submitted,

Mayor David Cleveland
